Summary

Frontend Developer with 2+ years of experience specializing in React and Next.js, building scalable and high-performance web applications. Successfully optimized application performance by up to 30% through modern UI practices and efficient coding techniques.

EXPERIENCE

Creative IT Institute (Jan 2026 - Present)

Team Lead (Frontend Developer Internship)

Worked as a Frontend Developer Intern at Creative IT Institute, where I built 5+ responsive and user-friendly websites using React and Next.js. Alongside development, I led a small team by coordinating tasks, guiding members, and ensuring timely project delivery. Focused on modern UI development and performance optimization, achieving up to a 40% improvement in page speed.

Softvence Agency (Jan 2025 - May 2025)

Frontend Developer

Worked as a Frontend Developer at Softvence Agency, specializing in Webflow CMS. Successfully built and managed 20+ responsive websites, ensuring high-quality design and functionality. Collaborated closely with clients to understand requirements and consistently delivered solutions that met their expectations, resulting in strong client satisfaction.

Skills: JavaScript, TypeScript, React.js, Next.js, Redux, Context API, Tailwind CSS, Bootstrap, Sass, Material UI, Responsive Web Design.

Tools: Git, GitHub, Figma, Netlify, Vercel, VS Code.

Hands-on Projects
