Summary

MERN Stack Developer with 2+ years of experience in building scalable and high-performance web applications using React, Next.js, Node.js, and Express.js. Proficient in developing full-stack solutions with a focus on clean architecture, performance optimization, and seamless user experience. Improved application performance by up to 30% through modern UI strategies and efficient backend implementation.

EXPERIENCE

Creative IT Institute (Jan 2026 - May-2026)

Frontend Developer Intern

Developed 5+ responsive web applications using React.js and Next.js. Led a team of developers, coordinated project tasks, and ensured timely delivery of client projects. Enhanced application performance and responsiveness, reducing page load time by up to 30%.
